

## **Questions judges may ask of Presenters**

1. Why did you choose this idea/topic as your exhibit?
2. How and where did you find the information/materials for this exhibit? Why is it important to know this information?
3. Why and how did you organize this exhibit as you did?
4. How do you plan to use this learning?
5. Do you plan to show or use the exhibit somewhere else?
6. Do you think your project has an effect on your community?
7. What effect did your project have on your schoolyard habitat?
