This exchange is designed to provide 4-H youth members the opportunity to learn about natural resources management from both and urban and rural perspective AND about urban-rural lifestyles. Please describe typical chores or activities that your assigned 4-H member may expect when staying in your home.

Are there any other special health considerations in the family (i.e. allergies)?

Family hobbies/interests:

Are there any other special considerations or expectations your family has for a middle school youth staying in your home (preference of male or female, specific family rules that this 4-H member would be expected to follow)?

Has your family hosted an exchange student or special guest before?

- Yes (year \_\_\_\_\_, length of stay \_\_\_\_\_)

Why does your family want to host?
